A sketch map or illustration of the site should be included

**View of the lock between Fowler Lake (to the rear) and Lac La Belle, Oconomowoc, WI.
Judging by the lay of the land, the dam is to the right of this view.**

**View of the marine railway between Fowler Lake and Lac La Belle that preceded the lock,
with a steam launch, Oconomowoc, WI**

**The dam from Fowler Lake to Lac La Belle at Oconomowoc, WI
Most likely, the lock was to the left of the dam in this photo where a house now sits.**

Close up of at tree covered foundation to the right of the dam. This is most likely part of the house that was on this now vacant lot.
